

Nineveh's Working Trial Champion Keyloh of Mekkado

kilo: prefix meaning one thousand - I started this endeavour thinking I had a thousand new things to learn but now I know that there is no end to the learning

Thanks to everyone for helping to make this possible

*Ken - a great husband who is always there for me, even when I don't think I need or want any help
Beth - Keyloh's breeder who trusted a novice with an awesome puppy and has become a great friend
and everyone else who has been part of this incredible adventure with me and Keyloh
sharing thier experience and training advise, offering kind words, keeping me grounded, picking me up,
hosting and working at events, motivating me, laughing with me through the trials and tribulations,
trusting me to work their stock, and always reminding me to enjoy this time with my little dog
not everyone will remember our encounters, but all have affected me*
