

# mekkado kennel

striving for dogs with natural talent, healthy genetics  
and conformation correct for the work  
combined with training to enhance each individual dog's abilities

'P' litter born October 10, 2016

2 blue males, 4 blue, 1 red merle and 2 black females  
co-bred with Ray Fryar of Rockin F Aussies in Bryan, TX

parents are dual registered and fully health tested  
pups are clear by parentage for CD, CEA, CMR1, DM, HC/HSF4, MDR1 and prcdPRA

As breeders, we do everything we can to ensure we are producing healthy sound pups who can work. Starting with proven bloodlines than health testing, training, working and trialing our dogs. We spend group and individual time with the pups to give them the best start and use experienced independent people to evaluate them before matching pups with their new homes.
