

mekkado kennel

striving for dogs with sound temperament, natural talent, healthy genetics and conformation correct for the work combined with training to enhance each individual dog's abilities

'P' litter born October 10, 2016

2 blue males, 4 blue, 1 red merle and 2 black females
co-bred with Ray Fryar of Rockin F Aussies in Bryan, TX

parents are dual registered and fully health tested

pups are clear by parentage for CD, CEA, CMR1, DM, HC/HSF4, MDR1 and prcdPRA

As breeders, we do everything we can to ensure we are producing healthy sound pups who can work.

Starting with proven bloodlines then health testing, training, working and trialing our dogs.

We spend group and individual time with the pups to give them the best start and use experienced independent people to evaluate them before matching the pups with their new homes.
